

Instructions & Information for Red Bank Townwide Yard Sale Participants

(keep this form for your reference)

1. **No Rain Date** – The event will be held light rain or shine.
2. **Balloons** – Please pick up balloons from 7:30 – 10:00 am in front of Department of Public Works (75 Chestnut St.). Put balloons in front of your house to help shoppers find your house and yard sale.
3. **Free Section** – We encourage you to have a “FREE” section in your yard sale, with a sign letting people know they can take items in that area. These can be things that are still good but you otherwise might throw away. This will help reduce our trash costs and also keep things out of the landfill that other people might be able to use. This saves Red Bank tax dollars for public works and helps others in our community.
4. **Tips** – Visit www.redbankgreen.com for lots of tips on how to best prepare for your yard sale. For example, have lots of bags and change on hand, set up early, label and price all items, and display items well.
5. **List** – Following the sale, we hope you’ll donate or recycle as many of your leftovers as you can. Like the “FREE” section, this not only saves Red Bank (and your tax money) in trash collection and landfill fees, it also benefits others who can use your items. Below is a list of places that take donations/recycles:

		Items Accepted
Project Paul, Inc.:	732-787-4887	Exercise equipment, clothing
Salvation Army:	732-775-8645	Clothing, furniture
